

GENESEE REGION USBC AWARD PROGRAM GENERAL INFORMATION

Attached is a listing of all awards included in the GRUSBC Awards Program for the 2018 - 2019 season. It is suggested that all Team Captains receive a copy before your league begins. Please feel free to make copies.

When the listing refers to "Entries", it is referring to the Year End drawing at the annual GRUSBC Association banquet. The drawing for the 2018 - 2019 season will be the same as last year. Last year there were three drawings for \$500 cash each and four drawings for \$25 cash each.

Also attached are forms for those League Secretaries submitting award requests manually. There are three forms for your use. They are:

1. Honor Award Submission Form.
2. General Submission Form (The most frequent submission).
3. 5, 10, 20 Achievement Submission Form.

The top portion requesting League Name, Secretary Name, Bowling Center Name, and Secretary phone number on each form only needs to be completed once. It is not required on every award request. Please feel free to make copies as needed.

It is strongly encouraged that you submit award requests online. The online form can be found on the Association website **bowlgr.com** under the "links" tab.

Timely submission of award requests is required so they can be delivered in a timely fashion. Requests must be submitted within 3 weeks of the date bowled.

As a reminder, a bowler must bowl 12 games before earning an Over Average Award. The Over Average Awards include the 35-59 Pins Over for game, 60 Pins Over for game, and 100 plus Pins Over for Series. All other awards on forms one and two above can be earned anytime.

Each request submitted either online or manual is reviewed for accuracy. Some requests were denied (not many). A very large number of requests were missed. This mostly was in the Over Average for games or series category.

Observations:

1. Please remember that a Senior is defined as a bowler age 55 or over.
2. For a given series a bowler can earn multiple awards for Over Average Game.
3. Many awards for being 100 Pins Over Average for a Series were missed.

Please be on the lookout for achievements that cannot be verified by looking at the bowler's scores. Specifically, the 7-10 and Big 4 split conversion or an All Spare Game cannot be determined by looking at game scores.
